RELEVANT EXPERIENCE

Digital Marketing Executive | PLH Realty, Pune

2023 - 2024

- Managed end-to-end Google Ads and Meta Ads campaigns for residential real estate projects, driving high-quality leads.
- Monitored and optimized daily campaign metrics (CTR, CPC, CPA), successfully reducing overall CPA by 15% while increasing qualified lead volume by 20%.
- Leveraged GA4 and Google Search Console to analyze user behavior, uncover drop-off points, and set up accurate custom conversion tracking.
- Developed, tested, and optimized high-converting, mobile-responsive landing pages to maximize lead capture rates.
- Executed data-driven keyword research and precise audience segmentation, minimizing ad spend wastage and improving overall ROI.
- Designed engaging marketing creatives and promotional materials via Canva, aligning active social media ads with cross-functional sales goals.

ADDITIONAL EXPERIENCE

Proprietor & Licensing Partner | Poonam Electricals, Hingoli

2025 - Present

- Negotiated a licensing agreement with an external contractor, earning a 34% commission on all completed projects.
- Oversee business administration, compliance monitoring, and periodic project audits to keep the business license active and in good standing.

Freelance Digital & Web Designer | Remote

2024 - 2025

- Developed and launched a custom, responsive website for SafePower Electricals, optimizing site architecture and on-page SEO to drive a 10% increase in organic search traffic in 90 days.
- Designed and optimized an e-commerce website with a strong focus on user experience (UX) to improve product discoverability and increase conversion rates.
- Created high-quality technical diagrams, digital layouts, and brand assets, translating complex technical requirements into clean, professional visual designs.
